

## Coaches Terms and Conditions

I understand that EGSL may require one coach from each team to participate in a coaches clinic. If so, the league will pay for one person's participation in the clinic. If the coach does not attend the clinic, they must pay \$50 to the league and coaching privileges will be suspended until the league is paid.

If I am selected as either the head coach or main assistant coach for any EGSL All-Star team, I must pass the ACE Certification prior to the first All-Star game and be able to show proof of the certification for the team to be eligible for All-Star play.

I understand that two (2) adults from each team shall be Concussion Certified according to California Assembly Bill 2007.

I understand that ALL Volunteers must be SafeSport Certified.

I understand that I must submit a USA Softball background check application before I can volunteer with a team. I also understand that submission of this application does not assure me of a volunteer position with any EGSL team.
